

Irish Centre for Business Excellence

The Irish Centre for Business Excellence (ICBE) is a non profit organisation established by leading companies on the island of Ireland. It is a network of organisations that demonstrate a deep commitment to Continuous Improvement and the pursuit of Business Excellence. Its success is based on members freely sharing knowledge and actively participating in networking opportunities organised by the centre.

S A Partners works with ICBE to support Irish companies by providing training and development on topics including:

- Staying Lean: thriving not just surviving
- Lean and Green
- Lean Leadership
